OITO T. SCHULZ.

It is the concurrent testimony of the public
and the medical profession, that Hostetter's
Stomach Bitters is a medicine which achieves
results speedily, felt, thorough and benign. So
surely does it act, that it dispels the apprehension
of those who suffer from kidney and bladder complaints
and hastens the convalescence of those recovering
from enfeebled diseases. Moreover it is the
grand specific for fever and ague.

For sale by all druggists and dealers generally
